1. Definitions

1.1 **"AGL" / "we"** means The Gladiator Gauntlet tournament operator, based in Rishon LeZion, Israel.

1.2 **"Participant" / "you"** means any individual who registers for and/or competes in The Gladiator Gauntlet.

1.3 **"Tournament"** means a single weekly instance of The Gladiator Gauntlet.

1.4 **"AG Champion"** means The Artificial Gladiator champion, and its associated repository, that a participant submits to compete on their behalf.

1.5 **"Swiss System"** means a multi-round tournament format in which no participant is eliminated; each round, participants are paired against others with a similar running score, and final standings are determined by cumulative score (and tiebreakers) after all rounds are complete.

1.6 **"Platform"** means the AGL website and associated services through which the Tournament is operated.

2. Eligibility & Registration

2.1 To participate in The Gladiator Gauntlet, you must:

- a. Be at least **18 years of age** at the time of registration;
- b. Be a **resident of the State of Israel**;
- c. Hold a valid, active AGL account in good standing; and

d. Agree to comply with these T&C and all other applicable AGL platform terms and policies.

2.2 AGL may request information reasonably necessary to verify your identity, age, or residency eligibility, and may suspend or deny entry pending such verification.

2.3 AGL reserves the right, at its reasonable discretion, to refuse or revoke registration for any Participant who does not meet the eligibility criteria in this Section 2, or who has previously violated these T&C.

2.4 Registration for a given weekly Tournament is subject to the entry window, capacity limits, and any other requirements published on the Tournament page.

3. Tournament Format & Rules

3.1 **Format.** The Gladiator Gauntlet is run under the **Swiss system**. Participants are not eliminated after a loss; instead, each round they are paired against opponents with a comparable score, and final rankings are determined by total score across all rounds, with tiebreakers applied as needed to resolve ties.

3.2 **Game type.** Matches are played by AG models submitted by Participants, in chess and/or breakthrough, as specified on the Tournament page for that week.

3.3 **Time control.** Each match is played under the time control specified on the Tournament page for that week's Tournament.

3.4 **Pairings and scoring.** Round pairings, scoring, and standings are generated and maintained by AGL's tournament system. AGL's determination of pairings, results, and final standings is final, save for manifest error or a successful dispute under Section 8.

3.5 **Model conduct during matches.** Your AG Champion must compete as submitted at the time your Tournament registration is finalized. See Section 7 for restrictions on changes during an active Tournament.

3.6 **Time per move.** Before joining a Tournament, the Participant selects a target "time per move" (AI thinking time) setting for their AG Champion, as offered on the registration page. This setting reflects a target pace only; actual response time per move may vary depending on how the opposing Participant's model is hosted, and AGL does not guarantee that any match will complete within a specific duration. AGL may apply a reasonable maximum time limit per move or per match, at its discretion, to ensure Tournament matches complete in a timely manner.

4. Schedule & Changes

4.1 The Gladiator Gauntlet is held **once per week**.

4.2 AGL may adjust the day, time, or duration of a given week's Tournament, provided that reasonable notice is given to registered Participants.

4.3 AGL reserves the right to cancel or postpone any Tournament due to technical issues, an insufficient number of participants, or any other reasonable operational cause. In such cases, AGL will make reasonable efforts to notify affected Participants and, where applicable, reschedule the Tournament or address any prize implications.

4.4 AGL reserves the right, at its sole discretion, to increase the prize amounts specified in Section 5 for a given Tournament — for example, where the number of registered Participants is lower than expected — without any obligation to do so and without this establishing any expectation of increased prizes for future Tournaments.

5. Prizes & Payment

5.1 **Prize amounts** for each weekly Gladiator Gauntlet Tournament are as follows, unless otherwise stated on the Tournament page:

- **1st place:** 100 NIS
- **2nd place:** 50 NIS
- **3rd place:** 25 NIS

5.2 Prizes are paid in New Israeli Shekels (NIS), via a payment method specified by AGL (which may include, for example, bank transfer or PayPal).

5.3 To receive a prize, a winning Participant may be required to provide additional information and to complete any identity or eligibility verification requested by AGL. This may include, without limitation, providing a PayPal email address, participating in a verification call via phone or WhatsApp, and/or providing a copy of the Participant's Israeli identity card (Teudat Zehut) together with its address appendix (Sefach), to confirm identity, age, and Israeli residency.

5.4 Prizes are subject to any applicable taxes, withholdings, or other legal requirements under Israeli law. Each Participant is solely responsible for any tax obligations arising from a prize they receive.

5.5 A Participant who is disqualified under Section 8, or who is later found ineligible under Section 2, forfeits any right to a prize for the relevant Tournament, and AGL may reallocate or withhold the prize accordingly.

5.6 Unclaimed prizes may be forfeited if the winning Participant fails to provide required payment or verification information within a reasonable period specified by AGL.

6. Code of Conduct & Fair Play

6.1 All Participants must treat every other Participant, AGL staff, and any other person with respect at all times.

6.2 Harassment, discrimination, hate speech, and abusive behavior of any kind are strictly prohibited, whether directed at another Participant, AGL, or any third party.

6.3 There is no place on the Platform for violence, threats of violence, or incitement to violence of any kind.

6.4 Cheating of any kind is strictly prohibited. Cheating includes, without limitation, the conduct described in Section 7.

6.5 Violation of this Section 6 may result in disqualification, suspension, or termination of a Participant's account, in accordance with Section 8.

7. Anti-Cheating & Integrity

7.1 **Repository changes during a Tournament.** Changing your AG Champion's Model's repository, or the contents thereof, at any point during an active Tournament is considered cheating and will result in **immediate disqualification** from that Tournament.

7.2 Without limiting Section 7.1, AGL may also disqualify a Participant for:

- a. Manipulating a Model, its repository, or its inference endpoint during a Tournament;

- b. Exploiting bugs, defects, or vulnerabilities in the Platform to gain an unfair advantage; or
- c. Any other violation of this Section 7, Section 6 (Code of Conduct), or these T&C generally.

7.3 AGL may use automated or manual integrity checks to monitor compliance with this Section 7. Participants agree to cooperate with any reasonable request from AGL related to such checks.

7.4 Repository changes in proximity to a Tournament. Changing, modifying, or replacing the Model's repository, or any contents thereof, during the period immediately preceding the scheduled start time of a Tournament for which the Participant is registered, shall likewise be deemed cheating for purposes of this Section 7, and shall result in the immediate disqualification of the Participant from that Tournament, irrespective of whether such change is detected prior to, during, or following the Tournament.

8. Disqualification & Sanctions

8.1 AGL may disqualify a Participant from a Tournament, at AGL's reasonable discretion, for any violation of Section 6 (Code of Conduct) or Section 7 (Anti-Cheating & Integrity), or of these T&C more generally.

8.2 A disqualified Participant forfeits all prize eligibility for the Tournament in which the disqualification occurs.

8.3 AGL may, in addition to disqualification from a specific Tournament, suspend or terminate a Participant's AGL account for repeated or serious violations.

8.4 A Participant who believes they were disqualified or sanctioned in error may raise the matter with AGL through the contact channel in Section 13. AGL will review such disputes in good faith, but its determination following review shall be final.

9. Data Protection & Email Usage

9.1 AGL will collect and store your email address and will use it only for the following purposes:

- a. Account registration and authentication on the AGL Platform;
- b. Password reset and account recovery;
- c. Communications related to your Tournament participation, including notifications and results; and
- d. Processing and paying Tournament prizes.

9.2 AGL will not sell Participants' email addresses to third parties.

9.3 AGL may process other personal data reasonably necessary to operate the Platform and to comply with applicable law, including data protection law applicable in Israel.

9.4 Participants may contact AGL using the details in Section 13 with questions or requests regarding their personal data.

10. Limitation of Liability

10.1 The Platform and Tournament are provided on an "as is" and "as available" basis. AGL does not guarantee uninterrupted or error-free operation of the Platform or any Tournament.

10.2 To the maximum extent permitted by applicable Israeli law, AGL shall not be liable for any indirect, incidental, or consequential damages arising from a Participant's use of the Platform or participation in a Tournament, including damages arising from technical failures, cancellations, or postponements under Section 4.

10.3 Nothing in this Section 10 excludes or limits any liability that cannot lawfully be excluded or limited under applicable Israeli law.

11. Modifications to These Terms

11.1 AGL may update or amend these T&C from time to time. Material changes will be communicated to Participants by a reasonable method, such as posting an updated version on the Platform or notifying registered Participants by email.

11.2 Continued participation in the Gladiator Gauntlet following the effective date of any updated T&C constitutes acceptance of the updated terms.

12. Governing Law & Jurisdiction

12.1 These T&C, and any dispute arising out of or in connection with the Gladiator Gauntlet or these T&C, shall be governed by the laws of the State of Israel, without regard to its conflict-of-laws principles.

12.2 The competent courts of Rishon LeZion, Israel, shall have exclusive jurisdiction over any such dispute.

12.3 These T&C are drafted in English. Should a Hebrew translation be provided for convenience, the English version shall prevail in the event of any conflict or inconsistency.
